Fund Raising and Grant Writing: The US experience

Speaker: Professor Francis Yuen (DSW, ACSW)

Professor

Division of Social Work

California State University, Sacramento

Professor Francis Yuen is a renowned professor in the area of 'disability and rehabilitation'. He published widely in different international refereed journals including but not limited to American Journal of Hospice and Palliative Medicine, Journal of Social Work in Disability and Rehabilitation, International Journal of Adolescence and Youth, Early Child Development and Care. Professor Yuen is author of different books including the popular one "Effective Grant Writing and Evaluation for Human Service Professionals". Professor Yuen has been active in helping professional social workers in the US on improving their grant writing and programme evaluation capacity to bid for resources in the current competitive environment.
